Cranky Old Woman is purely for fun. . . Left Field is a Samba/BosaNova,
Monkey Shines and GobbleHawk are instrumentals (worth hearing),
Man Into Space is science/fiction, I Smell Mommy! is a twisted Blues/Rock,
Fresh Thing is a fun sendup of the old school rap genre,
Weird Apple is a real jazzy weird apple.
Slip It To Me and Pig Wars are both social commentary with a twist. . .
